The wolf hybrids black tail wagged happily. Not thinking as they sent Screams discord nitro. Their ears flopped down and their red hair bounced. Waiting for a response. They watched them type and stop constantly assuming they were finding the right words to reply with. Soon the typing stopped all together. With a bout Demon stood up and stretched. Going to cook themselves a baked potato.

Meanwhile Screams was freaking the fuck out. Demon of all people! The most cursed human on the planet earth! Had sent THEM discord nitro. Not only could Screams not find the right words to reply with, they were blushing a bright red! Maybe it was anger that the person they'd least expected to give them nitro gave it to them. Or maybe it was because earlier the wolf had said they'd give them nitro for a funny gag and they actually did it.

Screams grumpily put the hood on their hoodie up. Hiding in shame at not being able to properly thank their discord daddy. As a last resort that began texting their friend Nickel.

Screams: "HELP-"

Nickelnotdime: "What do you need help with?"

Screams: "ALRIGHT REMEMBER THAT OTHER AO3 CREATOR DEMONWOLF5058?!"

Nickelnotdime: "Yeah I think I know who you're talking about..."

Screams: "THEY JUST SENT ME DISCORD NITRO AS A 'FUNNY GAG' AND I HAVEN'T RESPONDED- I DON'T KNOW WHAT TO SAY!!!"

Nickelnotdime: "Maybe just a simple thank you will suffice?"

Screams: "LIKE HELL- I'D FEEL LIKE SHIT IF THAT'S ALL I SAID!!!"

Nickelnotdime: "Sorry I can't help you there. Just be honest with them?"

Scream was still panicking over their situation with Demon. They hadn't even tried getting a thank you. They actually weren't even on discord anymore! Where they actually were was anyone's guess- probably being a whore like always. Running a clammy hand over their face the finally decided to say thanks.

Screams: "Hey thanks alot for the nitro! I appreciate it!"

Screams immediately felt like a shit person. Wanting to edit it before it was seen. Yet luck had other plans. Demon was back online and looked to be typing something out. Screams heart thumped harshly against their chest. Not knowing what awful thing was about to be sent.

Demonwolf5058: "You're welcome homie! Love being a good friend 😎"

Screams immediately exhaled. That sentence alone to calm their nerves. They read it over again, and again, and again. Thinking how it fit them so well. Their personality. Ah yes they chaotic yet suprisingly sweet when need be attitude. It was something they admired. Even if they had threatened to punt Tyler into the sun earlier that same day.

Screams sighed. Typing one last thing before abounding their phone to go cry.

Screams: "I will stab you if you tell anyone I said this-"
Screams: "Thank you... discord daddy-"
